**2022-23**

# DEAR BUSINESS PARTNER!

KEDVES PARTNERÜNK!  
LIEBER GESCHÄFTSPARTNER!

Allow us to present the renewed **Rabalux** product catalogue, which has been designed with your needs in mind. Thanks to its clean and elegant appearance and the use of black and white background colours tailored to product groups, our lights have come into sharper focus.

In our catalogue containing more than **2,000** products, we have increased the number of our SMART lights and multifunctional ceiling lights with built-in LED while taking market needs into account. At the same time we have not forgotten lovers of the classic or industrial style.

Thanks to our creative design engineers, the number of our self-designed lamps has also increased - they have been marked with a **“designed by Rabalux”** label.

We hope you will find the perfect lamp to illuminate your home!

Engedje meg, hogy bemutassuk a **Rabalux** megújult termékkatalógusát, melyet az Ön igényeit szem előtt tartva alkottunk meg. Letisztult és elegáns megjelenésének, valamint a fekete és fehér háttérzínnek termékkörre szabott használatának köszönhetően lámpáink még inkább fókuszba kerültek.

Több, mint **2000** terméket felölelő katalógusunkban a piaci igényeket figyelembe véve bővítettük SMART termékeink és beépített LED-es, többfunkciós mennyezeti lámpáink számát, ugyanakkor nem feledkeztünk meg a klasszikus, vagy az ipari stílus kedvelőiről sem.

Kreatív tervező mérnökeinknek köszönhetően növekedett a saját tervezésű lámpáink száma is, melyeket **„designed by Rabalux”** jelzéssel láttunk el.

Reméljük, Ön is megtalálja a tökéletes lámpát, amellyel beragyoghatjuk otthonát!

Gestatten Sie uns, den erneuerten **Rabalux-Produktkatalog** vorzustellen, der auf Ihre Bedürfnisse zugeschnitten wurde. Dank seinem schlichten und eleganten Erscheinungsbild und der an die Produktgruppen angepassten Anwendung von Hintergrundfarben schwarz und weiß wurden unsere Leuchten noch mehr in den Fokus gestellt.

In unserem Katalog von mehr als **2000** Produkten haben wir die Anzahl unserer SMART Deckenleuchten und multifunktionellen Deckenleuchten mit eingebauten LED-Lichtquellen unter Berücksichtigung der Marktanforderungen erhöht, während wir die Liebhaber des klassischen oder industriellen Stils auch nicht vergessen haben.

Dank unseren kreativen Design-Ingenieure hat sich auch der Anteil unserer selbst entworfenen Lampen erhöht, die wir mit dem Zeichen **„designed by Rabalux”** versehen haben.

Wir hoffen, Sie finden die perfekte Lampe, mit der wir Ihr Zuhause anstrahlen können.

**EN** During the creation of our self-designed products it was an important consideration that they would comply with the current trends and market demands, but also stand out from our existing range, thus making it more diverse.

**HUN** Saját tervezésű termékeink megalkotása során fontos volt, hogy illeszkedjenek az aktuális trendekhez és piaci igényekhez, ugyanakkor kiemelkedjenek meglévő kínáltunkból is, így színesítve azt.

**DE** Bei der Entwicklung unserer selbst entworfenen Produkten war es von grosser Bedeutung, dass sie den aktuellen Trends und Marktanforderungen entsprechen, sich aber auch von unserem bestehenden Angebot abheben und es dadurch vielfältiger machen.

## FLORESTA

**EN** Our **Floresta** product family was inspired by the image of a frozen flower. These pendants combine modern LED technology with a romantic style.

**HUN** **Floresta** termékcsaládunkat egy jégbe fagyott virág képe ihlette. Ezekben a függesztékekben egyesül a modern LED technológia és a romantikus stílus.

**DE** Unsere Produktfamilie **Floresta** wurde vom Bild einer gefrorenen Blume inspiriert. Diese Pendelleuchten kombinieren moderne LED-Technologie mit dem romantischen Stil.

## KOLMIO, HOLLIS & BENITA

**EN** Our **Kolmio** and **Hollis** ceiling lights featuring built-in LED are characterised by geometric shapes, while our **Benita** product line is decorated with natural motifs: lamps emitting warm white light have a ginko leaf pattern and the ones radiating natural white light feature art deco patterns.

**HUN** **Kolmio** és **Hollis** beépített LED-es mennyezetlámpáinkat geometrikus formavilág jellemzi, **Benita** termékcsaládunkat pedig a természet motívumai díszítik: ginkó levél a meleg fehér fényű, art déco mintázat a természetes fehér fényű tagokat.

**DE** Unsere Deckenleuchten **Kolmio** und **Hollis**, die eine eingebaute LED-Lichtquelle enthalten, sind durch geometrische Formen geprägt, während unsere Produktlinie **Benita** mit Naturmotiven dekoriert wurde: Lampen, die warmweißes Licht strahlen, haben ein Ginkoblattmuster und Modelle mit neutralweißem Licht wurden mit Mustern im Art Deco Stil versehen.

## ROTEM

**EN** Our industrial-rustic style **Rotem** product family is characterised by real wood material and a black textile cables. The lampshades are made truly unique by the laser cut geometric patterns.

**HUN** **Rotem** ipari és rusztikus stílusú lámpacsaládunk tagjai valódi faanyaggal és fekete textilkábelrel rendelkeznek. A lámpabúrákat lézervágott geometrikus mintázat teszi igazán egyedivé.

**DE** Unsere industrielle und rustische Lampenlinie **Rotem** ist durch echtes Holzmaterial und schwarzes Textilkabel geprägt. Die lasergeschnittenen geometrischen Mustern machen die Lampenschirme richtig originell.

## LANNY & CALISTA

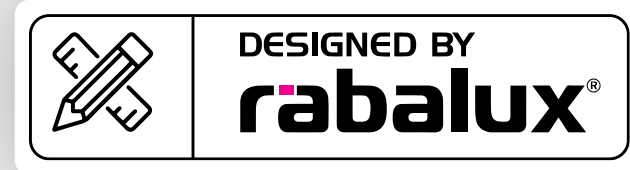

**EN** The distinctiveness of our industrial-style **Lanny** and **Calista** models is given by the various positions of the lamp heads, some of which hang long in the form of pendants and others are located close to the decorative base. The lower and upper light sources can be operated separately with the help of a wall switch.

**HUN** Az ipari stílusú **Lanny** és **Calista** modellek különlegességét a lámpafejek különböző pozíciója adja, melyek közül néhány függeszték formájában hosszan lelóg, a többi pedig a dísztalpához közel helyezkedik el. Az alsó, illetve felső fényforrások csillárkapcsoló segítségével külön-külön is működtethetők.

**DE** Die Besonderheit der im Industriestil gefertigten **Lanny**- und **Calista**-Modelle ist die unterschiedliche Positionierung der Lampenköpfe, von denen einige in Form von Pendelleuchten tief hängen und andere sich in der Nähe des Baldachins befinden. Die unteren und oberen Lichtquellen können auch separat mit Hilfe eines Serienschalters betrieben werden.

## FOR THE YOUNGEST ONES

A LEGKISEBBEKNEK  
FÜR DIE JÜNGSTEN

### LINETT & MINUET

**EN** Our **Linett** and **Minuet** products are characterised by a sleek style, pastel colours as well as round and curved shapes, therefore they also come through as children's or youngster's lamps.

**HUN** **Linett** és **Minuet** termékeinket letisztult stílus, pasztellszínek, valamint kerek, íves formák jellemzik, így gyermek- és ifjúsági lámpákként is megállják helyüket.

**DE** Unsere **Linett**- und **Minuet**-Produkte werden durch einen schlichten Stil, Pastellfarben, runde und geschwungene Formen bezeichnet, deshalb können sie gerne auch als Kinder- oder Jugendleuchten eingesetzt werden.

### MINKA

**EN** 2 members of our **Minka** product line consisting of 5 models boast a unique design which makes them an essential part of all boy's and girl's rooms. One of these large, modern design decorative lights has a galaxy pattern, while the other one is decorated by rainbows and little hearts.

**HUN** 5 tagú **Minka** termékcsaládunk 2 tagját egyedi designnal is felruháztuk, így válhatnak elengedhetetlen részévé minden fiú- és lányszobának. A nagy méretű, modern formavilágú dekorlámpáink egyike galaxis, másik pedig szivárványos-szívecske mintázatú.

**DE** 2 von den 5 Mitgliedern unserer Produktlinie **Minka** haben wir auch mit einem individuellen Design versehen, so können sie ein unerlässlicher Teil jedes Jungen- und Mädchenraums werden. Eine unserer großen dekorativen Lampen mit einem modernen Design ist durch ein Galaxiemuster geprägt, während die andere mit Regenbögen und kleinen Herzen dekoriert wurde.

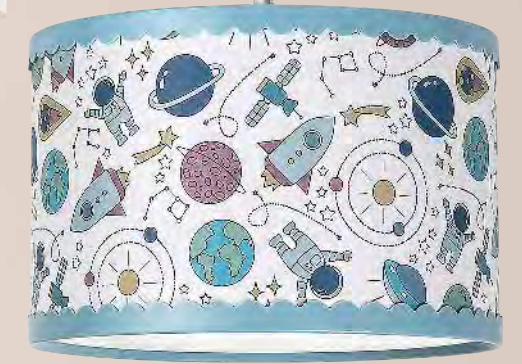

### CATHY, SHEPHERD & LEON

**EN** Our **Cathy**, **Shepherd** and **Leon** children's lamps have been inspired by the animal kingdom, so they will surely seize the imagination of the youngest ones. You can find both general and additional lighting among the members of all three product families.

**HUN** **Cathy**, **Shepherd** és **Leon** gyermeklámpáinkat az állatvilág inspirálta, így biztosan magukkal ragadják a legkisebbek képzeletét. Mindhárom család tagjai között találhatóunk általános és kiegészítő világítást egyaránt.

**DE** Unsere Kinderlampen **Cathy**, **Shepherd** und **Leon** wurden von der Fauna inspiriert, so werden sie die Fantasie der Jüngsten sicherlich anregen. Unter den Mitgliedern aller drei Produktfamilien befindet sich sowohl allgemeine als auch zusätzliche Beleuchtung.

### HANKA

**EN** Members of our **Hanka** product family which are defined by blue as a basic colour and an astronaut theme will primarily enchant little boys, while their pink accented lights with butterfly-floral patterns will charm little girls.

**HUN** **Hanka** termékcsaládunk kék alapszínű, űrhajós tematikájú tagjai elsősorban a kisfiúkat, rózsaszín hangsúlyos, pillangós- virágos mintájú lámpái pedig a kislányokat fogják elbűvölni.

**DE** Die Mitglieder unserer Produktfamilie **Hanka**, die durch eine blaue Grundfarbe und Astronautenmotiven gekennzeichnet werden, bezaubern in erster Linie kleine Jungen, während die Lampen mit rosa Akzenten, Schmetterlings- und Blumenmustern kleine Mädchen verzaubern werden.

Thanks to our **SMART** light sources (1513, 1978, 1979, 1980) now you can add new features to your traditional indoor and outdoor lights with socket types E27, E14 and GU10!  
The brightness and colour temperature of lamps with smart light sources can be controlled according to our wishes, while we can create multicoloured atmospheric lighting using the RGB function.  
All **SMART** light sources in the **Rábalux** product offer can be controlled via **Tuya application** and most of them can also be operated using a remote control.  
On the following pages we tried to provide you with some inspiration on the diverse ways smart light sources can be used.

**SMART** fényforrásoknak (1513, 1978, 1979, 1980) köszönhetően hagyományos, E27-es, E14-es, valamint GU10-es foglalattal rendelkező kül- és beltéri lámpáit is új funkciókkal ruházhatja fel!  
Az okos fényforrással ellátott lámpák fényerejét és színhőmérsékletét tetszés szerint szabályozhatjuk, az RGB funkció révén pedig színes hangulatvilágítást hozhatunk létre.  
A **Rábalux** kínálatában szereplő minden **SMART** fényforrás **Tuya applikációval**, legtöbbjük pedig távirányítóval is vezérelhető.  
A következő oldalakon igyekeztünk inspirációt nyújtani az okos fényforrások sokszínű felhasználási módjairól!

## OUTDOOR

1513

WARM WHITE

Dank unseren **SMART** Lichtquellen (1513, 1978, 1979, 1980) können Sie auch Ihre traditionelle Innen- und Außenlampen mit Fassungsstypen E27, E14 und GU10 mit neuen Funktionen ausstatten!  
Die Lichtstärke und Farbtemperatur von Lampen mit Smart-Lichtquellen kann nach Belieben geregelt werden, während wir mit Hilfe der RGB-Funktion eine bunte Stimmungsbeleuchtung schaffen können.  
Alle **SMART** Lichtquellen in dem Produktangebot von Rábalux können durch **Tuya-Applikation** geregelt werden, und die meisten von ihnen kann man auch mit einer Fernbedienung steuern.  
Auf den folgenden Seiten haben wir versucht, Inspiration zu den vielfältigen Anwendungsarten von Smart-Lichtquellen zu geben.
